GROUP, INC

43RD ANNUAL EXHIBITION 1949-1992

LONGBOAT KEY ART CENTER APR 24, 25, 26
6860 LONGBOAT DR. S., LONGBOAT KEY, FL 34210

FLORIDA ARTIST GROUP, INC.

PURPOSE

The FLORIDA ARTIST GROUP was incorporated as a non-profit organization of practicing artists who had gained recognition nationally or state-wide and whose work would contribute significantly to its exhibitions. The purpose is the stimulation of finer standards of the creative effort within the State of Florida.

ANNUAL SYMPOSIUM

Since 1949, the Florida Artist Group has held a symposium and a members' exhibition each year in a different Florida city. Its educational and other cultural aims are advocated at these meetings through lectures, panel discussions, films and exhibits.

In addition to the Symposium and Exhibition held in the Spring, area exhibitions and meetings are sponsored at other times in various places in the state. The nature of these meetings follows, in a small way, the character of the Spring meeting. They also serve to bring the members of the organization more closely together.

JURIED SHOWS

To insure an annual exhibition of exceptional quality, the show is juried. The organization always brings in an eminent juror from out-of-state who is primarily associated with art administration, education or a painter or sculptor of national repute. Past locations of Exhibitions have included the Norton Gallery, Ringling Museum, Cummer Gallery of Art, the Jacksonville Art Museum, Miami Metropolitan Museum and the Lowe Museum, University of South Florida, University of Florida, Rollins College, Daytona Museum of Arts and Sciences and many other outstanding galleries.

ABOUT THE JUROR - 1992

BRUCE H. EVANS is the juror for the 43rd annual exhibition. He received his B.A. (History of Art) from Amherst College in 1961 and graduated from New York University of Fine Arts in 1964, M.A. (History of Art). In 1956, he joined the Dayton Art Institute, Dayton, Ohio as Curatorial Assistant becoming director in 1974-1991. In 1991, he was appointed director of the Mint Museum, Charlotte, North Carolina. He is past president of Art Museum directors, International Museum Council Trustee, founded the consortium of curators in 1973. He has organized and supervised many important exhibitions and written numerous reviews, articles and catalogues. He brings to our juried exhibition scholarly and indepth experience.

JUROR'S STATEMENT

I was extremely impressed by two significant aspects of the works submitted. The wide variety of expressive styles, techniques and the high level of quality.

The entries ranged from the very traditional to the avant-garde, but they were all fresh, dynamic and full of vitality.

Where there was a full range of style from crisp naturalism to neo-expressionism, there was virtually no deviation from a norm of high quality. The drawing is solid, the brush strokes sure and the presentation appropriate.

Because of solidity of these entries, it was difficult to select a mere handful of awards. I hope those I did select are seen as indicative of the wonderful competence and variety I encountered in Longboat Key.
