ANNUAL SYMPOSIUM

Since 1949, the Florida Artist Group has held a symposium and a members' exhibition each year in a different Florida city. Its educational and other cultural aims are advocated at these meetings through lectures, panel discussions, films and exhibits.

In addition to the Symposium and Exhibition held in the Spring, Area exhibitions and meetings are sponsored at other times in various places in the state. The nature of these meetings follows, in a small way, the character of the Spring meeting. They also serve to bring the members of the organization more closely together.

JURIED SHOWS

To insure an annual exhibition of exceptional quality, the show is juried. The organization always brings in an eminent juror from out-of-state who is prominently associated with art administration, education or a painter or sculptor of national repute. Past locations of Exhibitions have included the Norton Gallery, Ringling Museum, Cummer Gallery of Art, the Jacksonville Art Museum, Miami Metropolitan Museum and the Lowe Museum, University of South Florida, University of Florida, Rollins College, Daytona Museum of Arts and Sciences and many other outstanding galleries.

PRESIDENT'S MESSAGE

The 34th Annual Exhibition reflects the purpose for which we were organized. Appreciation must be extended to many who have made this exhibit possible; to our founders with their great vision; to all past and present Directors who have kept the organization vibrantly alive with their dedicated volunteer efforts; to the members for their creative work and to our eminent juror, Richard Anuszkiewicz.

Our thanks to Ridge Art Association, the City of Winter Haven and Foster Harmon Galleries of American Art for their invitations and housing of the exhibit.

We wish to thank all of our faithful sponsors of awards and welcome three new ones this year, namely, Barnett Banks of Florida, Katherine Rowland and Gertrude Freeman. We welcome back Southeast Banks of Florida who have so generously supported our group activities so many different years in the past.

The cultural needs of the communities through the visual arts have been made possible by all of you — ACCEPT OUR APPLAUSE!

Anne L. Atz
President

Some of his most recent solo exhibitions are the Brooklyn Museum and Carnegie Institute, 1980; University of Fine Arts Galleries, Tallahassee and Museum of Fine Arts, St. Petersburg, 1981.

JUROR'S STATEMENT

The first thing I look for, of course, is quality. That is the primary number-one factor. Second, for this show, I want to have it represent as wide a range of styles as possible; but if one style should dominate with better work, I would have more of that style, because my number-one priority is quality. After that I would look for variety so that you would have a well-rounded show — but I would not have the variety if the quality were not there.

Third, I dislike very much something that is derivative from another artist's work, and I prefer to have something — even something that is very primitive, if it is honest — to something that is competent but derivative from another person's work, because that is the opposite end of what creativity is all about.

I am especially critical of work that might be close to mine, or in my area of work. I am ultra-critical because of the standards I set for myself. I feel that if someone should try to do something for the show similar to what I do, then I would be ultra-critical of that work.

And that's it: first, quality; second, diversity; and third, honesty in the creativity.
