*Florida Artist Group, Inc.*

## **PURPOSE**

The FLORIDA ARTIST GROUP was incorporated as a non-profit organization of practicing artists who had gained recognition nationally or state-wide and whose work would contribute significantly to its exhibitions. The purpose is the stimulation of finer standards of the creative effort within the State of Florida.

## **ANNUAL SYMPOSIUM**

Since 1949, the Florida Artist Group has held a symposium and a members' exhibition each year in a different Florida city. Its educational and other cultural aims are advocated at these meetings through lectures, panel discussions, films and exhibits.

In addition to the Symposium and Exhibition held in the Spring, Area exhibitions and meetings are sponsored at other times in various places in the state. The nature of these meetings follows, in a small way, the character of the Spring meeting. They also serve to bring the members of the organization more closely together.

## **JURIED SHOWS**

To insure an annual exhibition of exceptional quality, the show is juried. The organization always brings in an eminent juror from out-of-state who is prominently associated with art administration, education or a painter or sculptor of national repute. Past locations of Exhibitions have included the Norton Gallery, Ringling Museum, Cummer Gallery of Art, the Jacksonville Art Museum, Miami Metropolitan Museum and the Lowe Museum, University of South Florida, University of Florida, Rollins College, Daytona Museum of Arts and Sciences and many other outstanding galleries.

## PRESIDENT'S MESSAGE

Our Annual Exhibitions have continually reflected the PURPOSE of the Florida Artist Group and this, the 35th, is no exception. The founders had a vision. Our members, among whom there always have been dedicated volunteers, have kept the vision alive for 35 years.

Our thanks to the Gallery of Fine Art, Edison Community College and The Foster Harmon Galleries of American Art for their invitations to house the 35th Annual Exhibition.

We extend our appreciation to all of the award sponsors; to Edison Mall Merchants Association for their financial help in producing the catalogue; to our members for their creativity and to our eminent juror, Will Barnet.

All of you have made it possible for Florida Artist Group to participate through this exhibit to satisfy the cultural needs of the communities via the visual arts.

## JUROR'S STATEMENT

I enjoyed judging this show. As I saw it, the work was above average as a group. Each work in the show was judged individually and for its own merits. I tried to select examples from every view point that had quality and certain personal feelings that were representative of each style. The show is varied and I believe if there had been seven judges of different school of thought, results might have been the same.

I must add to this brief introduction that above all the President, Mrs. Anne Atz is an exceptional dynamic organizer, a great host who made the judging a pleasure. My thanks to her.

Will Barnet
